ARTICLE V

ASSESSMENTS

Section 5.01. Lien and Personal Obligation of Assessments. Declarant, for each Lot owned by it in the Subdivision, and Home Owner, for the Lot owned by Home Owner, hereby covenants, and each Owner of a Lot in the Subdivision is hereby deemed to covenant by acceptance of a deed to such Lot (whether or not it shall be so expressed in such deed), to pay to the Association, (a) on the first sale of each lot, but not on any subsequent sale, a fee ("initial fee") of two hundred dollars (\$200.00) at the time the lot deed is accepted at closing; and (b) special assessments for capital improvements. Such assessments shall be established and collected in the manner hereinafter provided. The initial fee, regular annual assessments, and special assessments for capital improvements, together with interest, costs and reasonable attorneys' fees thereon, shall be a charge upon the land and a continuing lien on each Lot against which an assessment is made. Said fee, assessment and lien shall continue in full force irrespective of whether the Lot has been transferred and conveyed to another person and/or entity. Each such assessment, together with interest, costs and reasonable attorneys' fees thereon, shall also be the personal obligation of the person or persons who owned the Lot at the time the assessment fell due. Declarant and professional builders who purchased lots for the purpose of building spec homes shall be exempt from payment of the initial fee.

Section 5.02. Purpose of Regular Annual Assessments. The initial fees and regular annual assessments levied by the Association shall be used to comply with the ordinances, rules and regulations of the City of Bryan relative to the maintenance, repair and keeping of the Common Areas and/or private roads, private access easements and streets, sidewalks, retention or detention ponds, and drainage areas, to promote the health, safety, and welfare of the Subdivision, and to pay for the costs for such improvement, repair and maintenance of the Common Area and/or private roads, private streets and accessments, sidewalks, retention or detention ponds and drainage areas, which cost shall include, but not limited to the following:

a. Water, sewer, garbage, electrical, and other utility services for the Common Area if deemed necessary by the Association;

- b. Expense of development of common areas including concrete walks, stepping stones, plantings, trees, beds, improvements, benches, picnic tables, gazebo, common structures or group mailboxes (including mailboxes), statues, and underground water sprinkler systems.
- c. Acquisition of equipment for the maintenance, repair and improvement of the Common Area as may be determined by the Association;
- d. Maintenance and repair of the drainage area, retention pond and/or drainage facility in the Common Area;
- e. Fire and extended coverage insurance upon the insurable improvements, if any, in or on the Common Area; and
- f. Liability insurance insuring the Association and its members against any and all liability to the public, or to any Owner or member of his family, or to any tenant, invitee or guest of an Owner, and/or insuring the Association and its members against any liability arising out of their occupancy and/or use and/or maintenance of the Common Area ; the policy limits shall be set by the association and shall be reviewed at least annually and increased (or decreased) as determined by the Association.

Section 5.03. Power to Fix Regular Annual Assessments. The power and authority to fix and levy the regular annual assessments shall rest exclusively with the Board of Directors of the Association, and when the same are determined and fixed by the Board of Directors, as herein provided, same shall be final, conclusive and binding upon each Lot Owner, his heirs, successors and assigns, including contract purchasers. When the City of Bryan requires that certain capital improvements be constructed, reconstructed, repaired or replaced, the Board of Directors shall have the power and authority to fix and levy the same exclusively and such assessment shall be conclusive and binding on each Lot and Lot Owner, his heirs, successors and assigns.

Section 5.04. Special Assessments for Capital Improvements. In addition to the regular annual assessments authorized and provided for above, the Association may fix and levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto. Any such special assessment exceeding FIVE THOUSAND AND NO/100 DOLLARS (\$5,000.00) in cost before becoming effective and a binding obligation of the Lot Owners, must be approved by a two-thirds (2/3rds) vote of Class A Members who are voting, either in person or by proxy, at a meeting duly called for this purpose. Only Class A members may approve such capital improvements. Provided, however, any capital improvement required by the City of Bryan to be constructed, reconstructed, repaired or replaced, in the Common Area, such special assessment shall not require the vote of the membership but the Board of Directors shall have the power and authority to fix and levy the same exclusively and such assessment shall be conclusive and binding on the Lot and Lot Owners, their heirs, successors and assigns.

Section 5.05. Notice and Quorum for Action Under Section 5.04. Written notice of the purpose of taking any action authorized under Section 5.04 of this Article shall be sent to all

Members not less than ten (10) nor more than fifty (50) days in advance of such meeting. Such notice must state that the Purpose (or one of the purposes) of the meeting is to vote upon a special assessment, specifying the purpose of the proposed special assessment. At the first such meeting called, the presence of Members, either in person or by proxy, entitled to cast fifty percent (50%) or more of all the votes of the Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements; and the required quorum at such second meeting shall be one-half (1/2) of the required quorum for the preceding meeting.

Section 5.06. Uniform Rate of Assessment. Regular annual assessments and special assessments for capital improvements (but not the additional Lot assessments provided for later herein) must be taxed at a uniform rate for all Lots in the Subdivision, except as otherwise expressly provided below in this Article.

Section 5.07. Collection of Regular Annual and Special Assessments. The regular annual assessment shall be collected by the Association on a monthly or quarter-annual basis, as determined by the Board of Directors from time to time. Special Assessments for capital improvements shall be collected on approving the establishment and levy of such special assessments.

Section 5.08. Establishment and Notice of Regular Annual Assessment. At the organizational meeting of the initial Board of Directors of the Association, the regular annual assessment for the first calendar year shall be fixed and established by the Board Of Directors, and written notice thereof (including the basis upon which such regular annual assessment is to be collected) shall be forthwith given to each Owner subject thereto. The first such regular annual assessment shall be adjusted according to the number of full calendar months remaining in the calendar year of the first annual assessment period. Thereafter, not less than (30) days prior to the commencement of each calendar-year assessment period, the Board of Directors of the Association shall fix and establish the regular annual assessment for such ensuing assessment year and shall give written notice thereof (including the basis upon which such regular annual assessment is to be collected) to every Owner subject to such regular annual assessment. Upon a person or entity becoming the Owner of a Lot in the Subdivision (and upon notification of such fact given to the Board of Directors of the Association), it shall be the duty of the Board of Directors to notify such new Owner of the regular annual assessment charged upon his Lot (in the same manner as notice is given to those Owners owning Lots as of the commencement of any annual assessment period). The failure of the Board of Directors to fix an annual assessment for any year or to give written notice to any Owner, as herein required, shall not in any manner exempt or relieve such Owner from his obligation to pay the regular annual assessment on his Lot or Lots, but such Owner shall not be in default for failure to pay his regular annual assessment (on the due date or dates thereof) until notice of such regular annual assessment is given to such Owner in the manner herein provided. In any year when the Board of Directors shall fail to fix an annual assessment prior to the start of a calendar year the regular annual assessment shall remain the same as for the previous year until such time as such regular annual assessment is changed for such calendar year effective on the date of such change for the balance of the calendar year. Each Lot Owner (including Declarant) covenants and agrees to give written notice to the Board of Directors of the Association upon the sale or transfer by such Lot Owner of his Lot, including the name and mailing address of the Lot purchaser(s) and the date upon which the sale or transfer was effectuated.

Section 5.09. Limited Exemption from Regular Annual Assessments. Notwithstanding anything herein to the contrary, Declarant and any professional home builder who purchases a Lot for the purpose of building a spec home shall not be liable for or obligated to pay regular annual assessments on any Unimproved Lot or on any Improved Lot until a residence has been completed thereon. All other Owners of an unimproved Lot shall pay an annual assessment on each unimproved Lot owned by such owner equal to twenty-five (25%) of the regular annual assessment which would otherwise be assessed against each such Unimproved Lot if a residence were constructed on such Lot, commencing on the date that the regular annual assessments first became effective following the organizational meeting of the initial Board of Directors of the Association. The lower Unimproved Lot assessment set out in the immediately preceding sentence shall be effective only for such time as such Lot is an Unimproved Lot. Once the house is completely constructed and sold, the new owner of the lot and home pays the full next assessment. Assessments shall be prorated for any portion of a year the particular lot is owned.

Section 5.10. Date of Commencement of Regular Annual Assessments. The regular annual assessments provided for above in this Article shall commence as to each Lot on the first (1st) day of the calendar month next following date that the first regular annual assessment is set by the Association under the provisions of Section 5.08 above. Example: If the annual meeting date is on or before December 20th, then the annual dues are due on or before January 1st of the next calendar year.

Section 5.11. Certification of payment of Assessments. The Association shall, upon demand, furnish a certificate signed by an Officer of the Association setting forth whether the assessments on any specified Lot have been paid. A properly executed certificate as to the status of assessments on a particular Lot shall be conclusive and binding upon the Association as of the date thereof as to any and all persons or entities relying thereon (other than the Owner of such Lot). The Association may charge \$25.00 for the issuance of such certificates.

Section 5.12. Lien for Assessments; Remedies of Association. Any assessment (whether regular annual, special, or additional Lot assessment) not paid within ten (10) days of the due date shall bear interest from the due date until paid at the lesser of eighteen per cent (18%) per annum or the highest rate permitted by applicable law (subject to the provisions herein which limit the interest contracted for, charged, or received to the maximum amount permitted by applicable law). In addition, any Owner whose assessment is more than ten (10) days past due shall owe a late penalty of Ten Dollars (\$10.00) per month to the Association in addition to the interest thereon due hereunder. To secure the prompt payment of the aforementioned assessments, a lien is hereby created and granted for the benefit of the Association upon each Lot, and all improvements, additions, fixtures, and appurtenances now situated or hereinafter placed thereon. The Association or its agents may bring an action at law for a judgment against the Owner personally obligated to pay the same without foreclosing or waiving the lien securing the assessments owing by the defaulting Owner or foreclose the lien against the Lot for which an assessment is due and may enforce such lien by all methods available for enforcement of liens, including non-judicial foreclosure by the power of sale hereinafter granted for the benefit of the Association. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his/her Lot. If the Owner defaults on any assessment due hereunder, the Association may collect in addition to the

assessment all costs and expenses incurred in collecting said assessment, including but not limited to, reasonable attorneys' fees and the cost of recording the notice of assessment required hereunder. The lien created herein to secure assessments shall also secure all interest accruing thereon, and all late charges and costs and expenses of collecting the assessment, including but not limited to reasonable attorneys' fees and costs of recording any notice of assessment as provided herein.

Section 5.13. Subordination of Assessment Lien to Mortgages. The assessment lien herein provided should be superior to all other liens and charges except only the following:

- a. tax and special assessment liens in favor of the State of Texas, County of Brazos, City of Bryan, and/or Bryan Independent School District;
- b. all sums unpaid on any First Mortgage of record, including all indebtedness due thereunder including but not limited to reasonable attorney's fees and costs incurred in collection of the debt if secured by said First Deed of Trust or Mortgage, but excluding indebtedness secured thereby solely by inclusion in the documents creating such First Mortgage or First Deed of Trust of any "other indebtedness" or "Mother Hubbard" clause securing debts unrelated to the debt secured by the First Mortgage or First Deed of Trust and including additional advances made thereon prior to the filing of notice of assessment lien thereon by the Association. A "First Mortgage" and/or "First Deed of Trust" is defined for purposes hereof as a Deed of Trust or other lien which has first and paramount authority under applicable law and which secures notes or indebtedness given for payment of all or part of the purchase price of the Lot and/or the construction or repairs or additions to the improvements on the Lot or ad valorem taxes assessed and due on the Lot.

A sale or transfer of a Lot shall not affect the assessment lien thereon. However, the sale of a Lot pursuant to the foreclosure of a First Mortgage or any proceeding in lieu thereof shall extinguish the assessment lien as to unpaid charges which accrued prior to such foreclosure sale or transfer in lieu thereof. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due and payable or from the lien thereof.

The holder of any First Mortgage shall be entitled, upon written request made to the Association, to written notification from the Association of any default by such holder's mortgagor (or grantor under a Deed of Trust or Trust Deed) in any obligation under this Declaration or the Bylaws of the Association which is not cured within sixty (60) days from the date upon which such default occurred. The Association shall have the power to subordinate the assessment lien to any other lien, such power being entirely within the discretion of the Association.

Section 5.14. Books and Records. Proper books and records shall be kept by the Association with respect to all assessments made by the Association, and each Owner shall at all reasonable times have access to such books and records. The books and records shall be kept in such a manner as to separately identify the assessments and payments thereof on each Lot in the subdivision. No payment made on any individual assessment account shall be transferred or credited to another account without the express written consent of the party making such payment.

Section 5.15. Exempt Property. The following Property subject to this Declaration shall be exempted from the assessments, charge and lien created herein:

- a. All Properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use except that the existence of an easement or other such interest in any Lot shall not exempt such Lot from the full assessment imposed on such Lot hereby as if such easement or other interest were not located thereon;
- b. All Common Properties as defined in Article I, Section 1.01 (c) hereof;
- c. All properties exempted from taxation by the laws of the State of Texas upon the terms and to the extent of such legal exemption.

Section 5.16 Management Agreements. Each Owner of a Lot hereby agrees to be bound on the terms & conditions of all management agreements entered into by the Association relative to performing the duties, responsibilities and authorities of the Association.

Section 5.17. Additional Properties and Common Areas. The Association shall use the proceeds of the assessments for the use and benefit of all of the Owners of the Properties as well as all Owners of any additional properties that may be annexed under Article II, Section 2.02. Provided however, that each future phase or section, so annexed, will be entitled to the benefit of the assessment fund and must be impressed with and subjected to the assessment charges herein, on an equitable basis, with the existing Properties assessed herein and further made subject to the jurisdiction of the Association. Such charges will begin upon homeowner closing. (See Article V).

ARTICLE VI

YARD MAINTENANCE FUND

Section 6.01. Fund for Briar Meadows Creek Subdivision. The Association may create a fund to be used for maintenance of the private yards of each homeowner in the subdivision. Each owner may elect to participate and receive maintenance services by signing a contract with the Association. The Association shall promulgate a contract form to provide such services which shall specify what services are to be provided and the price for same. Participation shall be made strictly optional to the lot owners. Payment for services shall be made in advance.

Section 6.02. Fund for Briar Meadows Creek Subdivision – Phase IV. The Association, for the Lots in Briar Meadows Creek – Phase IV, shall create a fund to be used for maintenance of the private yards of each homeowner in Briar Meadows Creek – Phase IV. Each owner must participate. The Association shall contract for such services directly. The fund shall be treated as an addition to the Regular Annual Assessment for the Lots in Briar Meadows Creek – Phase IV, and shall be paid and enforced in conformity to Article V.

ARTICLE VII

Underground sprinkler systems must be installed by a licensed irrigator in the State of Texas. If landscaping plans meeting the requirements of this Section (as to the contents thereof) are submitted to the Committee and are not approved or disapproved within thirty (30) days after receipt by the Declarant or the person designated by the Committee, the approval of such plans by the Committee shall not be required. Section 7.04. Drainage. Each Owner of a Lot agrees for himself or herself, his or her heirs, legal representatives, assigns or successors-in-interest that he or she will not in any way interfere with the established drainage pattern over his or her Lot from adjoining Lots or other Lots in the Subdivision; and he or she will make adequate provisions for the drainage of his or her in the event it becomes necessary to change the established drainage over his or her Lot (which provisions for drainage shall be included in the Owner's plans specifications submitted to the Committee and shall be subject to the Committee's approval). For the purposes hereof, "established drainage" is defined as the drainage that existed at the time that the overall grading of the Subdivision, including landscaping of any Lot in the Subdivision, was completed by Declarant. It is the responsibility of the Builder and/or Owner to provide satisfactory drainage around a residence and garage. All Owners (including Builders), unless otherwise approved by the Committee, must finish the grade of their respective Lots so as to establish good drainage from the rear of the Lot to the front street or from the front of the Lot to the rear (Creek) as dictated by existing grading plan of the Subdivision. No pockets or low areas may be left on the Lot (whether dirt or concrete) where water will stand following a rain or during watering. With the approval of the Committee, an Owner may establish an alternate drainage plan that must be submitted to and approved by the Committee prior to the construction thereof. The Committee's sole function in reviewing drainage plans is to see if the drainage pattern has been or will be altered by the proposed construction and to make a determination if the Owner/Builder has evaluated the effects of their construction to other properties and of the effect of potential flowing and rising water that may affect the submitted improvements. In no case shall the street curb be broken or cut to facilitate drainage or drain pipes without first obtaining the Committee's approval for the design and construction of an approved curb cut.

Section 7.05. Composition of Committee. The Committee shall be composed of three (3) members. The initial members of the Committee shall be a representative of the Declarant, as chairman, Donna Spelce and Paul Leventis, until the Owner's Association committee is activated by Declarant once 100% of Lots have been sold to and occupied by Class "A" members. The Committee, by a majority vote of the members thereof, shall have the power to designate a representative (who may or may not be a member of the Committee) to act for the Committee; and upon the designation of such representative by the Committee, such representative shall have the power and authority to do any act or make any decision which the Committee itself could do or make under this Declaration. Neither the Committee nor its authorized representative shall have the right to demand, charge or receive any fee or other compensation as a condition to the examination of any plans or specifications submitted hereunder or for granting approval (or disapproval) thereof.

Section 7.06. Vacancies and Filling of Vacancies. In the event of the death or resignation of any member or members of the Committee, the remaining member or members of the committee shall have the power to designate a successor or successors to fill the vacancy or vacancies existing on the Committee. Until such successor(s) shall have been designated, the remaining member(s) of the Committee shall have continuing authority to act pursuant to the provisions of this Article.

Section 7.07 Term of Committee; Surrender of Authority. The members of the Committee herein appointed (or their designated successors) shall serve for a term of ten (10) years from the date of this Declaration, and upon the expiration of such ten (10) year term, all of the powers, authorities, duties and discretions herein conferred or imposed upon the Committee shall automatically vest in

the Board of Directors of the Association. However, the Committee may, at any time prior to the end of such ten (10) year term, surrender to the Board of Directors of the Association all of the then members of the Committee and recorded in the office of the County Clerk of Brazos County, Texas.

Section 7.08. Limitation Of Liability. Neither the Declarant, the Association, the Committee, nor any of the members or any representative thereof shall be liable in damages or otherwise to anyone submitting plans and specifications for approval or to any Owner affected by this Declaration by reason of mistake of judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications.

- b. A fence constructed on (or substantially on) the common side Lot line of two (2) abutting Lots.

Section 8.02. General Rules of Law to Apply. To the extent that same are not inconsistent with the provisions of this Declaration, the general rules of law of this State regarding party walls and liability for property damage due to willful or negligent acts or omissions shall apply thereto.

Section 8.03 Maintenance and Repair of Party Walls. The costs of ordinary repair and maintenance shall be shared equally by the Owners and the abutting Lots, Townhouses or Patio Homes (if applicable). Painting, alterations, or additions to one side only of the common wall shall be 100% paid by the respective Lot owner.

Section 8.04 Destruction by Fire or Other Casualty. Except for a dividing wall between adjacent Owners, the Owners shall contribute equally to the costs of repairing, reconstructing or replacing the same. Either Owner making use of such party wall may make or effect such repairs, reconstruction or replacement (which shall be repaired, reconstructed or replaced as nearly as possible to its original condition). The party making or causing such repairs, reconstruction or replacement shall be entitled to contribution from the other Owner for his pro rata share of the costs so incurred, as provided in this Section. The repair, restoration or reconstruction of a dividing wall between adjacent Townhouses shall be the responsibility of the Rebuilding Party, as provided above herein.

Section 8.05. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under the provisions of this Article shall be deemed a charge upon the land of the Owner liable for such contribution.

ARTICLE IX

OCCUPANCY RESTRICTIONS

Section 9.01. The provisions of this Article IX are intended to comply with and be consistent with the provisions of the Fair Housing Act and the exemption in such Act which exempts housing for older persons from the prohibition against discrimination based on familial status set forth in 42 U.S.C. &3607 (b)(2)(C) or any successor statute.

Section 9.02. These lots in Briar Meadows Creek – Phase IV are intended to provide housing for persons 55 years of age or older. The Community shall be operated as an age-restricted community in compliance with all applicable state and federal laws. No person under 19 years of age shall reside in any Residence or Unit for more than 60 total days in any calendar year.

Section 9.03. As provided in the exemption in the Fair Housing Act, at least 80% of all the Residences and Units in Briar Meadows Creek – Phase IV if occupied, shall permanently occupied by at least one person 55 years of age or older. Such person shall be referred to in this Section as the “qualifying occupant.” Once a Residence or Unit is occupied by a qualifying occupant as such individual’s legal residence, the members of his or her household over the age of 19 who occupy the Residence or Unit with such person may continue to live there even if the qualifying occupant’s residency terminates, so long as at least eighty percent (80%) of the Residences and Units are occupied by one qualifying occupant. Members of a qualifying occupant’s household 19 years of age or older shall have the right to use all Common Property for as long as they reside in the Residence or Unit, irrespective of their age and of whether the qualifying occupant dies or otherwise ceases to reside in the Residence or Unit. At no time shall less than 80% of the Lots (and Residences located thereon) and Units subject to this Declaration be occupied by at least one qualifying occupant. Notwithstanding anything to the contrary in this declaration or unless prohibited by law, the restriction that no person under the age 19 may be a permanent occupant of any Residence or Unit shall be in perpetuity and shall not be subject to amendment.

Section 9.04. The Board shall establish policies and procedures from time to time as necessary to maintain its status as an age restricted community under state and federal law.

Section 9.05. Children shall be the direct responsibility of their parents or legal guardians, (or of the Owner or the occupant of the Residence or Unit if the parents or legal guardians are not the Owner or occupant) including full supervision of them while within the Community and including full compliance by them of these restrictions and all Rules of the Association. All children under nineteen (19) years of age must be accompanied by a responsible adult when entering and/or utilizing any of the Common Property.

Section 9.06. This Article IX shall in no way be deemed to restrict ownership of any Lot or Unit; provided, however, no Owner may occupy a lot or Unit nor permit occupancy of a Lot or Unit except in with the requirements of this Article IX. Lot and Unit Owners shall be responsible for including the statement that the Lots and Units within Briar Meadows Creek – Phase IV are intended for the housing of persons 55 years of age or older, as set forth above, in conspicuous type in any lease or other occupancy agreement or contract of the sale relating to such Owner’s Lot of Unit,

which agreements or contracts shall be in writing and signed by the tenant or purchaser, and for clearly disclosing such intent to any prospective tenant, purchaser or other potential occupant of the Lot or Unit. Every lease of a Lot or Unit shall provide that failure to comply with the requirements and restrictions of this Article IX shall constitute a default under the lease. Lot and Unit Owners shall be responsible for enforcing compliance with any tenant under any such lease.

Section 9.07. In the event of any change in occupancy of any Lot or Unit, as a result of transfer, sale, gift, lease, sublease, assignment, death, birth, marriage, separation, divorce or otherwise, the Owner of such Lot or Unit shall immediately notify the Board of Directors in writing and provide to the Board the names and ages of all current occupants of the Lot or Unit and such other information as the Board may reasonably require to verify the age of each occupant. In the event that an Owner fails to notify the Board and provide all required information within ten (10) days after a change in occupancy occurs, the Association shall be authorized to levy monetary fines against the owner and the Lot or Unit for each day after the change in occupancy occurs until the Association receives the requirements and information, regardless of whether the occupants continue to meet the requirements of this Article IX, in addition to all other remedies available to the Association under this Declaration and Texas law. Any such monetary fines shall be deemed a Benefited Assessment and may be collected and enforced as such.

Section 9.08. Any Owner may request in writing that the Board of Directors make an exception to the requirements of this Article IX with respect to his or her Lot or Unit. The Board may, but shall not be obligated to, grant exemptions in its sole discretion, provided that the requirements for exemption from the Act would still be met. Any exemption granted by the Board shall automatically terminate upon transfer of ownership of the Lot or Unit, unless an earlier termination is provided for by the Board. Should a request for an exemption be denied, then the Owner making such request acknowledges that occupants not in compliance with this Article IX must immediately vacate the Lot or Unit. The Declarant shall exercise this authority on the behalf of the Board until such time as 100% of the Lots and Unit have been sold to and occupied by Class "A" members.

Section 9.09. The Association shall be responsible for maintaining age records on all occupants of Lots and Units. The Board shall adopt policies, procedures and rules to monitor and maintain Compliance with this Article IX, the Fair Housing Act and any successor statute, including Policies regarding visitors, conducting a census of the occupants of Lots and Units, requiring copies of birth certificates or other proof of age for such occupant of the Lot or Unit to be provided to the Board on a periodic basis, updating the records by surveying or other means at least once every two (2) years, the granting of exemptions pursuant to this Article IX, and enforcement. The Association shall periodically distribute such policies, procedures and rules to the Owners and make copies available to Owners, their tenants and Mortgages upon reasonable request.

Section 9.10. The Association shall have the power and authority to enforce this Article IX in any legal manner available, as the Board deems appropriate, including, without limitation, taking action to evict the occupants of any Lot or Unit which does not comply with the requirements and restrictions of this Article IX and/or which results in the Community not complying with the exemption under the Fair Housing Act or any successor statute. EACH OWNER HEREBY APPOINTS THE ASSOCIATION AND ITS ATTORNEY-IN-FACT FOR THE PURPOSE OF

TAKING LEGAL ACTION TO DISPOSSESS, EVICT OR OTHERWISE REMOVE THE OCCUPANTS OR HIS OR HER LOT OR UNIT AS NECESSARY TO ENFORCE COMPLIANCE WITH THIS ARTICLE IX. This power-of-attorney shall be deemed to be coupled with an interest and shall be irrevocable for as long as such Owner owns a Lot and Residence and/or Unit in the Community. Each Owner shall fully and truthfully respond to any and all requests by the Association for information regarding the occupancy of his or her Lot or Unit which in the judgment of the Board are reasonably necessary to monitor compliance with this Article IX.

Section 9.11. Each Owner shall be responsible for ensuring compliance of its Lots or Units with the requirements and restrictions of this Article IX and the rules of the Association adopted hereunder by itself and by its tenants and other occupants of its Lot or Unit. EACH OWNER, BY ACCEPTANCE OF TITLE TO A LOT OR UNIT, AGREES TO INDEMNIFY, DEFEND AND HOLD THE ASSOCIATION, DECLARANT, AND BRIAR MEADOWS CREEK OWNER'S ASSOCIATION, INC., AND THE EMPLOYEES AND AGENTS OF EACH HARMLESS FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES AND CAUSES OF ACTION WHICH MAY ARISE FROM FAILURE OF SUCH OWNER'S LOT OR UNIT TO SO COMPLY.

ARTICLE X

USE RESTRICTIONS

Section 10.01. Single Family Residential Use. The Lots in Briar Meadows Creek – Phase IV are for active senior citizen occupants and at least one occupant in each single family residential dwelling must meet the minimum age requirements of Article IX above. No Lot or building site in the Subdivision shall be used for any purpose other than for single family residential dwelling use. No owner shall occupy or use his Lot or the improvements thereon, or permit the same or any part thereof to be occupied or used, for any purpose other than a single family residence for a person or persons. No Lot within Briar Meadows Creek – Phase IV shall be used for any other purposes or have constructed thereon any residential dwelling other than a Townhouse (refer to definitions in Section 1.01 of this Declaration) with an attached garage for no more than two (2) vehicles and further meeting the specifications of this Article. All dwellings constructed in the Subdivision, as to matters of exterior design and materials used, shall be architecturally compatible and in harmony with the existing dwellings constructed in the Subdivision and approved by the Committee as so required herein. All Owners and/or occupants of the dwellings constructed in the subdivision shall from time to time upon the request of the Declarant and/or the Homeowners Association, their agents and representative submit evidence requested by them to establish the ages of all occupants in any dwelling or improvement on any Lot or Lots in the Subdivision. Section 10.02. Obstruction of Common Area. There shall be no obstruction of the Common Area, except for perimeter fences separating the Common Area of the Subdivision from properties outside of the Subdivision or other fences, barriers or obstructions approved by Committee and intended to promote the general health, safety and welfare of the Owners and the members of their families and their guests and tenants.

Section 10.05. Vehicles. No motor home, mobile home or house trailer of any kind will be allowed on any lot or home in the subdivision. No truck (larger than a $\frac{3}{4}$ ton truck or van), boat, trailer, or recreational vehicle of any kind, nor any inoperable vehicle or unlicensed motor vehicle, may be parked on the driveway or in front of any Lot or on any Lot or on any street, right of way or private access in front of any Lot unless it is kept inside the garage or to the rear of the home behind fences or walls which make said vehicle concealed from public view. No vehicle of any kind may be parked on lawn areas in front or to the side of any home so that said vehicle would be visible from the street. These restrictions shall not apply to any vehicle, machinery, or maintenance equipment temporarily parked and used for the construction, repair or maintenance of the Subdivision or of any Properties in the Subdivision or for the construction of any Dwelling in the Subdivision. Passenger vehicles belonging to visitors of the residence may be parked on the street in front of Lots for periods of time not to exceed twelve (12) hours in any twenty-four (24) hour period. This restriction is not to be construed to prohibit periodic overnight guests from parking on the street, but is to specifically prohibit residents from using the street as the usual overnight parking spot for their own vehicles. No major repair, work, dismantling, disassembling or assembling of motor vehicles or other machinery or equipment shall be permitted in or on any driveway, street, garage, carport or any part of any Lot or Commons area.

Section 10.06. Temporary structures. In addition, each owner is allowed one (1) political sign of not more than two feet (2') by three (3'), which sign shall be erected no more than thirty (30) days prior to a called election day and shall be removed no more than one (1) day after that same election day.

Section 10.10. Antennas. Without the prior written approval of the Committee, no antenna or other device for receiving or transmitting television and/or radio signals shall be erected, constructed or installed on any Lot or Patio Home in the Subdivision nor shall any "dish" type satellite or any other receiving and/or transmitting device be erected, constructed or installed on any Lot in the Subdivision. Without the prior written approval of the Committee, no "dish" type satellite or any other receiving and/or transmitting device that is greater than twenty four (24") inches in diameter be erected, constructed or installed on any Dwelling, Structure, Townhouse, or Patio Home in the Subdivision. The Committee reserves the right to refuse the allowance of an antenna, a "dish" type satellite receiving device or other television and/or radio receiving or transmitting device on any Lot in the Subdivision where the Committee judges, in its sole discretion, that such antennae or device would be detriment to the Subdivision or that it may require proper screening from the view of other Lots in the Subdivision as a condition to allowing the same. In the event the Committee shall approve in writing the installation of an antenna or other such receiving device, the place and manner of installation shall also be approved in writing by the Committee. TV Cable will be available to all lots.

Section 10.11. Livestock, Poultry and Household Pets. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot in the Subdivision, except that dogs, cats and other household pets, may be kept provided (i) they are not kept, bred or maintained for any commercial or breeding purposes, (ii) they do not become a nuisance, and (iii) they are not allowed to roam or wander unattended and unleashed outside the privacy fence of any residence in the Subdivision.

Section 10.12. Garbage and Refuse Disposal. No Lot or any part of the Common Area shall be used or maintained as a dumping ground for rubbish, trash, refuse or other waste materials. Trash, garbage and other waste shall be kept in sanitary closed containers pending collection thereof; and garbage cans and other receptacles shall (except when placed on the street or drive for regular collection purposes) be hidden or screened from public view. No undeveloped Lot shall be used for the open storage of any materials whatsoever, except for materials used or to be used in the construction of improvements upon any Lot or building site, and then only for so long as such construction progresses. Upon completion of the improvements, any remaining materials, together with all rubble, rubbish, trash and debris shall be promptly removed from such Lot by the builder or owner.

ordinance or statute of the City of Bryan, Texas, and State of Texas. Any Owner of one (1) or more adjacent platted Lots or portions thereof may consolidate and combine the same into one (1) building site and may construct improvements upon such resulting job site, subject again to the requirements, ordinances and statutes of the City of Bryan, Texas, and State of Texas. Any such composite building site must have a minimum frontage (at the building set back line) of not less than the minimum frontage of the other Lots in the same block. Any such composite building site, if same meets all of the foregoing requirements, shall be deemed to constitute a "Lot" under the terms and provisions of this Declaration.

Section 10.15. No Activity Affecting Structural Integrity. No Owner shall do any act or work that will impair the structural soundness or integrity of a party wall or of another residence or which will impair any easement or right of use thereof. No Owner shall do any act or allow any condition to exist which will adversely affect any abutting or adjoining residence in the Subdivision including rain water drainage to the front or side street or rear or side alleys.

Section 10.16. All utility service lines between meter points and dedicated easements shall be underground. Meters for utilities shall be visible from the main street of the Subdivisions. Air conditioning compressors, condenser units and any other mechanical equipment shall not be visible from the main streets of the Subdivision, hidden by a wall or shrub.

Section 10.19. Garages; No conversion. A garage for the parking and storage of one to two vehicles shall be constructed in conjunction with and as part of the original construction of any townhouse; patio home or dwelling in the subdivision. No garage shall be less than or reduced to less than a one car garage or converted into a den, family room, game room, or living quarters nor shall any other conversion or enclosure thereof be made which shall prevent its use for its original intended purpose of housing vehicles. Two car garages are encouraged.

Section 10.20. Rights of Declarant and Builders. Declarant, either alone or in conjunction with one (1) or more builders, shall undertake the work of developing and improving the Lots in the Subdivision. The completion of such work and the sale, rental and other disposition of the residential Dwellings is essential to the establishment of the Subdivision and an ongoing and attractive residential community. In order that such work may be completed and the Subdivision established as a fully occupied residential community as soon as practical and possible, nothing contained in this Declaration shall be understood or construed to:

- a. Prevent Declarant or the employees, agents, representatives, contractors or subcontractors of Declarant from going on any part of the Common Area or on the Lots in the Subdivision whenever it is deemed necessary or advisable in connection with the completion of the work;
- b. Prevent Declarant or a builder, or the employees, agents, representatives, contractors or subcontractors of Declarant or a builder from constructing, placing and maintaining on any part or parts of the Subdivision owned or controlled by Declarant or such builder such structures (including, without limitation, temporary construction offices and storage facilities) as shall be reasonably necessary or advisable in connection with the completion of the work, the establishment of the Subdivision as a completed residential community, and the disposition of Lots (whether improved or unimproved) by sale, lease or otherwise;
- c. Prevent Declarant or a builder from using or occupying a residence as a sales, leasing or construction office or a "model" home during the construction, sale or leasing period or periods; or
- d. Prevent Declarant or its agents and representatives, or a builder from installing and maintaining "for sale," "for rent," or "for lease" signs upon any Lot or Lots owned or controlled by Declarant or such builder as may be reasonably necessary or advisable in connection with the sale of unimproved Lots or the sale or leasing of improved Lots in the Subdivision.
- e. Prevent Declarant or Association from permitting the use of undeveloped lots and vacant non-platted portions of the Subdivision away from (not adjacent to) building lot sites for temporary storage of building materials. The builder will ultimately clean up all such materials before leaving the Subdivision after completing construction of the last home he intends to build therein.

With the approval of the Declarant, the new home builders buying the lots with the age restricted occupancy will have the right to sell homes to persons between the ages of 50 and 54 years of age, provided that no less than 80% of the homes are occupied by at least one person who is 55 years of age or older. No individual homeowner may sell his or her home for occupancy by a person younger than 55 years of age without Board Approval.
